OUR ADVERTISING POLICY

We try to have adequate stock of advertised items. When out-of-stocks occur, we offer a substitute item at a comparable value. This excludes limited offers and special purchase items not regularly available at your MCX. To maximize stock available to our customers, we may limit quantities. We are not responsible for printer's or typographical errors. Special catalog pricing effective 23 - 27 November, 2011. No additional discounts on advertised items. Selection may vary by location.
